Foster Applicant

Elder Paws Representative

Thank you for applying to foster one of our senior companion animals!

Our foster families agree to accept any animal in need, however we can accept foster requests to exclude specific breeds and sexes (male or female) with no guarantee as to how long it will take to find that specific breed or sex of dog.

Our short term fosters care for adoptable senior dogs on a short term basis, typically 3 - 4 weeks while they receive initial vet care. All supplies (food, vet care, medications, collars, leashes, ID tags) will be provided for you.

Our long term fosters are entrusted with our most medically needy senior dogs. These dogs will be in the foster's care for an unknown amount of time until they are ready to leave this world. **[If an unexpected situation arises where you are unable to continue to care for a foster dog the foster agrees to provide Elder Paws with a (2) week notice, continuing to properly care for the dog, while another foster is found.]**

Your foster application will be processed within 3-5 days; you will be contacted at that time for the next step in the process.

Any questions please contact us at (559) 261-5746.
